Summer Sports 2020 Timetable

Ball games:

The coaches will play popular games such as Basketball, Football, Dodgeball, Tag-Rugby, Netball, Handball, Volleyball and any other sport that includes a ball within team games.

Racket sports:

These are sports such as Badminton, Tennis and Table-tennis. These sports may be limited due to the preferences of the children.

Striking games:

Sports include Cricket, Rounders, Baseball and Softball. Sports such as these will be adapted to suit the children's abilities and preferences.

Fun day:

This day is dedicated to the children as for some this may be the last day they will be with us on the programme, so they have a choice of sports they want to play (based on majority). Climbing wall will also be given as an option, however maybe subject to an additional fee of £5. Swimming will also be on this day for children 8 years and above and will be subject to a £2 fee.

Team Sports:

The children will be split into a variety of mixed age and gender teams. They will have a team name and will learn to work together to gain as many points as possible doing a variety of sports related tasks set by the coaching team.

Fun Fitness Competition:

This is a circuit based session whereas the children will have a chance to improve their fitness and a chance to compete against others in their group to get given points.
